Message from you local Inspector, Teresa Futter

Welcome to your November Newsletter. During the last month we have had the excitement of Halloween and Bonfire night, both passed without any incidents being reported. There have been increased patrols in remote rural locations across the area due to various reports of drug use. Your Beat Manager, PC Tom Gibbs, has been in local schools providing advice regarding inappropriate vehicle use. Next month PC Gibbs will be holding his monthly Engagement Surgery at Stalham Town Hall on 19th December between 10:30 and 11:30am. These are a great opportunity to meet your beat manager to discuss any concerns that you have face to face. Finally, Christmas is drawing upon us – sadly this is a period where we see an increase in burglaries being reported, please remain extra vigilant particularly as the nights draw in and see the Crime Prevention message overleaf from your Community Engagement Officer, PC Pete Davison.

Every year burglary tends to increase during the autumn months as the afternoons get darker, making it easier to identify unoccupied homes which are often left unlit. You can help protect your home by following some basic crime prevention advice such as:

- Use timer switches on a lamp, radio or TV so they turn on as it gets dark in the afternoons.
- Make a habit of checking that ground floor windows and doors are closed and locked when you leave the house or go to bed. Upstairs windows should be closed and locked when the house is unoccupied.
- PVC doors should be locked by lifting the handle and turning the key to ensure all the security features are in place.
- Car and house keys should be kept out of sight in a safe place. Don't leave them on display on window sills, in porches, hallways or kitchens.
- Secure your rear garden by shutting and locking any gates. Burglars can use garden tools, like ladders to break in, please ensure you always lock away tools after use.

Neighbourhood Priorities
