Do you know about Courier Fraud? Do your loved ones? Fraudsters are deliberately targeting older and vulnerable people in our area. Courier fraud happens when a fraudster contacts a victim by telephone claiming to be a police officer, bank or government agency. A number of techniques are adopted in order to convince the victim to hand over their bank details or cash, which may then be passed on to a courier. Bank and Police will NEVER ask you to withdraw money, purchase items, ask for your PIN, bank card or bank account details over the phone – NEVER give these details to anybody. Police and banks will NEVER send a courier to collect money or bank cards from you. Please let us know if you have received a similar type of telephone call or have any information about these incidents. Finally, please keep talking to your friends, parents and grandparents and make sure they know about #CourierFraud

WHAT'S HAPPENING IN YOUR AREA?

Welcome to your new look newsletter, some time has been taken to review the layout and ensure that you're aware of who your local Beat Manager is and how you can contact them.

It has been a very busy month as we see an increase in visitors as the lockdown restrictions are eased. Officers have been continuing their routine patrols to ensure that your neighbourhood continues to be a safe place to live, work and visit.

A big thank you to all that got involved with our #GrowYourSupport campaign for our emergency services and key workers. The team have passed out many packets of sunflower seeds to those displaying our sunflower posters in their windows.

If you're aware of any issues in your neighbourhood the team would love to hear from you. Feel free to get in touch via the email address above, online at www.norfolk.police.uk or via telephone on 101 and always 999 in an emergency.
